Notice of Comment Period for a 2017-2040 Regional Transportation Plan Amendment

The Regional Transportation Commission of Southern Nevada (RTC) is seeking public comment on the 2017 - 2040 Regional Transportation Plan (RTP) Amendment, number 21-00. The amendment updates the 2019-2022 High Priority Investment Program by adding two federal fiscal years and aligning it with the 2021-2024 Statewide Transportation Improvement Program (STIP). This is an end of the fiscal year amendment developed in coordination with the Nevada Department of Transportation (NDOT) to implement a new work program for the maintenance and construction of projects in Southern Nevada.

The following are highlights of this amendment:

- Moved existing projects to the new STIP if they were not initiated in 2020
- Removed completed projects from the STIP
- Included project funding adjustments requested by local agencies
- Added maintenance projects on I-15 in Logandale, east of North Mesa, and on Craig Rd.
- Added safety improvements on Jones Blvd., Cheyenne Ave., and south of Sahara Ave.
- Removed a SR-163 roundabout project in Laughlin
- Added a Henderson bowl environmental engineering project
- Added a Project Neon bond repayment project
- Removed a Rainbow Blvd. project
- Modified a St. Rose Pkwy. bus turnout project
- Modified a Cheyenne Ave. project

Amendment 21-00 does not impact air quality and is consistent with the RTP. Project details included in Amendment 21-00 will be available on rtcsnv.com during a 21-day public comment period from Friday, July 31, 2020 to Friday, August 21, 2020.

Submit comments/questions, or request copies of the amendment by 5 p.m. August 21, 2020:
