Notice of Public Comment Period for Amendment 21-24 to the Access 2050 Regional Transportation Plan

The Regional Transportation Commission of Southern Nevada (RTC) is seeking public comment on Amendment 21-24 to the 2021-2050 Regional Transportation Plan (RTP) and 2021-2025 Transportation Improvement Program (TIP). The TIP document reflects the transportation improvement priorities in the first five years of the RTP. Federal regulations require the RTP and TIP to be amended when there are major adjustments to program elements. Project sponsor requested this amendment to add new projects and modify existing projects and funds.

This amendment is consistent with the RTP and does not impact air quality conformity. Project details will be available at www.rtcnv.com during a 21-day public comment period from Tuesday, March 1, 2022, to Monday, March 21, 2022.

Aviso de Período de Comentarios Públicos para Enmienda 21-24 al Plan de Transporte Regional Access 2050

La Comisión Regional de Transporte del Sur Nevada (RTC) está buscando comentarios públicos sobre la Enmienda 21-24 al Plan Regional de Transporte (RTP) 2021-2050 y el Programa de Mejora del Transporte (TIP) 2021-2025. El documento TIP refleja las prioridades de transporte que deben mejorar en los primeros cinco años del RTP. Las regulaciones federales requieren que se modifiquen el RTP y el TIP cuando hay ajustes importantes en los elementos del programa. El patrocinador del proyecto solicitó esta enmienda para añadir nuevos proyectos y modificar los proyectos y fondos existentes.

Esta enmienda es coherente con el RTP y no afecta la conformidad de la calidad del aire. Los detalles del proyecto estarán disponibles en www.rtcnv.com durante un período de comentarios públicos de 21 días desde el martes 1 de marzo de 2022 hasta el lunes 21 de marzo de 2022.
