## **Lights FC & RTC announce “Ride RTC to the Match, Get in Half Price!” promotion for 2023 season**

Las Vegas, NV — The Las Vegas Lights FC professional soccer and the Regional Transportation Commission of Southern Nevada (RTC) are partnering up to provide discounted match tickets to transit riders during the 2023 season. All residents who ride transit to Cashman Field for Lights FC matches will receive a half-price match ticket.

Riders simply have to show their bus pass from that day (or their digital pass that would live on any of the following apps: rideRTC, Transit, Uber & Lyft) at the Cashman Field Box Office to receive the ticket discount.

“Cashman Field is located on one of RTC’s busiest routes on Las Vegas Boulevard, which makes this partnership even stronger,” says Lights FC Owner & CEO Brett Lashbrook. “We’re excited to continue working with community partners to make Las Vegas a better place to live, work and play.”

The promotion runs throughout the 2023 Lights FC season (May through October) at all home games played at Cashman Field.

For the full season’s schedule, visit the [Las Vegas Lights FC website](https://www.lightsfc.com).

### **About Las Vegas Lights FC:**

Established in 2017, Lights FC brought professional soccer to the Entertainment Capital of the World. A member of the United Soccer League Championship, the second division professional league in the United

States, Lights FC averages close to 8,000 fans per match playing in downtown Las Vegas at historic Cashman Field. Named by Sports Illustrated as the “Most Interesting Team in the World,” the Club is known for its unique match day experience and was recently voted “Best Sports Value” in Las Vegas. Additional information can be found at [LightsFC.com](https://lightsfc.com).

### **About the RTC**

The RTC is the regional authority overseeing public transit, metropolitan planning, roadway funding, traffic management, and the public bike share system. The RTC’s vision is to advance regionally transformative mobility solutions through equitable, innovative and sustainable infrastructure development. The RTC’s mission is to elevate quality of life for residents and visitors through sustainable planning, collaborative problem-solving, and safety and equitable transportation service. For more information about the RTC and our major initiatives or to download the rideRTC app, visit [rtcsonv.com](https://rtcsonv.com).
