Notice of Public Comment Period for Amendment 23-47 to the Access 2050 Regional Transportation Plan

The Regional Transportation Commission of Southern Nevada (RTC) is seeking public comment on Amendment 23-47 to the 2021-2050 Regional Transportation Plan (RTP) and 2022-2026 Transportation Improvement Program (TIP). The TIP document reflects the transportation improvement priorities in the first five years of the RTP. Federal regulations require the RTP and TIP to be amended when there are major adjustments to program elements. Project sponsors requested this amendment to add new projects and modify existing projects and funds.

This amendment is consistent with the RTP and does not impact air quality conformity. Project details will be available at www.rtcnv.com during a 21-day public comment period from Friday, January 26, 2024, to Thursday, February 15, 2024.
